

Southway Primary School

PE and Sport Premium 2023-2024

At Southway Primary School we use the additional funding provided through the PE and Sports Premium to meet the Department of Education's stated expectation that we will make additional and sustainable improvements to the quality of PE and sport that we offer. We will ensure that we continue our outstanding provision of PE and sport and further build upon our extremely strong infrastructure and provision to ensure that the children receive a wealth of sporting opportunities and a high-quality Physical Education.

We ensure that we measure our achievement against the five key indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The table below shows the school's plan for 2023-2024 and the impact of this investment.

Action (Linked Indicators)	Financial Allocation	Intent	Implementation	Impact	Expenditure
Active Playgrounds (1)	£1000	Additional active playground equipment. Lunchtime supervisor training through Sports Coach.	A range of new equipment to be purchased to support active playgrounds. Complete during INSET to support staff in being able to effectively support the children in utilizing the outdoor space during lunchtimes in order to be physically active.	Through pupil conferencing most pupils are happy with the purchased equipment as they have lots of equipment to be active with. The pupils did mention some pupils not looking after the equipment. Playground leaders appointed which tied in with the SIP regarding leadership.	£1000
Training (3)	£500	Identify outside training opportunities for specialist staff.	Forest School Area Training. Outside CPD work with SSP on supporting confidence in teaching of PE with their respective classes.	Multiple staff have attended CPD and have then used that CPD back at school in lessons and clubs.	£500
PE Equipment (1,4)	£2500	Ensure there is enough equipment to support high quality learning in PE across the school and the Physical Development in Year R.	A range of new equipment to be purchased for PE lessons in line with the needs of the school.	The purchase of new equipment has ensured that lessons are resourced and equipped for high quality lessons. We have purchased some different and new equipment which has helped with variety in some lessons. Some of the equipment has meant that we can adapt lessons more.	£2500
School Sports Partnership (1,2,3,4,5)	£4500	Access to SSP and legacy packages that provide multiple opportunities for staff and pupils.	Competitions. CPD. Sports Leaders. Festivals. G+T Programmes Access to support. Access Bolt on Package	Continued support and guidance from WSWSSP have been invaluable. Once again, we have attended most of the events through this partnership. As a result of the SSP many things are in place to continue a legacy with sporting opportunities and events.	£4500

Y3 Mini Medics	£1500	The Mini Medics courses provide a good foundation for children to learn how to take care of their mental and physical health, as well as looking out for the people around them.	Pupils will get the chance to learn: What is First Aid, First Aid Kits, CPR, Defibrillation, Recovery position, Choking, Asthma, Wounds & bleeding, Shock and more.	All Year 3 children participated and graduated. They are now aware of life saving first aid as well as basic first aid. We have seen a better understanding on the playground.	£1500
Top Up Swimming	£10,000	We have had no swimming pool access for children in the last 3 years. All children in Y5 will require a top up of swimming curriculum.	Seek a new opportunity at a Leisure center locally or other opportunities.	Have partnered with Activeme360 to run HAF swimming provision. They will also have a pop up pool on site to run an intense 12 week programmes to 200+ children.	£10,000
					Spent £20,000

The tables below show key measures that demonstrate the impact of whole school approach to PE and school sport and use of additional funding.

PE School Sports Awards

Award	
KS1 PE Provision	Platinum +

Swimming Attainment

Meeting national curriculum requirements for swimming and water safety	Please complete all the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	62%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	58%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	58%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	YES
