### PE and Sport Premium 2024-2025

At Southway Primary School we use the additional funding provided through the PE and Sports Premium to meet the Department of Education's stated expectation that we will make additional and sustainable improvements to the quality of PE and sport that we offer. We will ensure that we continue our outstanding provision of PE and sport and further build upon our extremely strong infrastructure and provision to ensure that the children receive a wealth of sporting opportunities and a high-quality Physical Education.

We ensure that we measure our achievement against the five key indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The table below shows the school's plan for 2023-2024 and the impact of this investment.
